- Ranked 135 out of 145 countries
- 7% illiteracy (2.1 million people)
- 1 in 10 children has minimum Math skills
- 3 in 10 children have minimum Reading skills
- 4 in 100 students have access to college education

"Empower with knowledge."

About Mi Casa de Angeles

Mi Casa de Angeles raises funds to build schools and support a higher quality of education in impoverished areas throughout Perú; thereby empowering the children with knowledge and improving their lives so that they can have a better opportunity to succeed in society.

"Empower with knowledge."

Objectives

- To build new schools or improve existing schools in impoverished areas of Perú
- To support a higher quality of education that motivates and empowers students
- To provide additional educational programs
- To foster family and community involvement
- To provide financial aid for college
- To inspire the social conscience of other educated teenagers and young adults

“Empower with knowledge.”

Current Goals

- To continue raising funds to promptly implement the foundation's Objectives
- To continue raising awareness about the foundation within target groups
- To establish a strategic partnership with a local, reputable school operator and to continue fostering alliances in Perú
- To implement a program that has an immediate impact on the educational system and the children
- To begin construction of a school by 2014-2015
