Goals & Objectives

- To support a higher quality of education that motivates and empowers students
- To implement programs that have an immediate and long-term impact on the educational system and the needy children
 - To build new schools or improve existing schools in impoverished areas of Perú
 - To sponsor teachers that are highly trained and qualified who will teach in existing public schools in Perú
 - To provide financial aid for college for dedicated and financially disadvantaged students
- To provide additional educational programs that add value to the students and their families
- To foster family and community involvement
- To inspire the social conscience of other educated teenagers and young adults
- To continue raising funds and awareness that will allow Mi Casa de Angeles to implement its mission and goals
