**"I WANT TO IMPROVE EDUCATION  
AND EMPOWER CHILDREN  
IN IMPOVERISHED AREAS  
THROUGHOUT PERU."**

While visiting her father's native Peru, Gabriella, seen here with her sister Isabell (10), was struck by seeing young children begging for money on Christmas Eve. She has since made it her mission to raise money to help Peruvian children get the education they need to end the cycle of poverty. Mi Casa de Angeles hosts various types of events in LA Uptown to raise funds.
