

Mi Casa de Angeles 2nd Annual Fashion Show

MI CASA DE ANGELES held their **2ND ANNUAL BENEFIT FASHION SHOW**. The evening began with live music, silent auction and boutique shopping, followed by a fashion show, featuring clothing styled by **TWYLA K BOUTIQUE**.

Mi Casa de Angeles was founded in 2009 by Gabriella Brignardello for the purpose of raising funds to build schools and support a higher quality of education in impoverished areas throughout Peru. The inspiration for creating this non-profit organization came to Gabriella at a very early age while visiting Peru and witnessing the hardships that many destitute children faced on a daily basis. Needy Peruvian children face three main problems: poverty, chronic malnutrition, and lack of education. The goal of Mi Casa de Angeles is to provide a positive environment, a safe place to live, healthy nutrition, and a high level of education for these children.

Gabriella is a graduate of **LA REINA HIGH SCHOOL**, and is currently a student at Stanford University.
